

We create chemistry

January 31, 2018

Dear Valued Customer:

BASF will increase prices for several products in North America for orders shipping on or after February 15, 2018, or as contracts allow. Higher price increases may be required for some specialty grades.

- Ultramid®, Capron® & Nypel® compounds by \$0.10/lb
- Ultraform® POM (polyoxymethylene) compounds by \$0.12/lb
- Ultradur® PBT (polybutylene terephthalate) compounds by \$0.12/lb

Your sales representative will contact you as soon as possible to discuss further details.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick Rasico".
