

PRICE ANNOUNCEMENT

January 24th, 2018

Dear Valued Customer,

I would like to thank you for your loyalty as a customer and for choosing Radici Plastics USA, Inc. to be your material supplier.

This notice is to inform you that Radici Plastics USA, Inc. will implement a price increase effective February 1st, 2018. This increase will be applied across our entire Performance Plastics portfolio, to include:

RADILON® A, RADIFLAM® A, TORZEN®, HERAMID® A (PA 6.6) – Increase by \$0.20/lb

RADILON® S, RADIFLAM® S, HERAMID® S (PA 6.0) – Increase by \$0.20/lb

RADILON® D, RADILON® DT, RADISTRONG® (PA 6.10 – PA 6.12 – PA 6.6) – Increase by \$0.20/lb

HERAFORM® (POM), HERAFLEX® (TPE), RADILENE® (PP) – Increase by \$0.15/lb

The above increase is necessary due to ongoing increases in the costs of feedstocks, chemicals and intermediates combined with the tightening of global supply for these materials. Radici Plastics has done everything possible to minimize the effects of this to our customers, by absorbing the majority of these increases and reducing its margins. Radici Plastics will continue to support our customers with excellent product and service as well as continuing global innovation and development.

Your Account Manager will be contacting you shortly to review the implementation of this price increase.

We value your business and look forward to continuing a mutually beneficial relationship in 2018.

Thank you for your continued support and understanding.

Edi Degasperi
North America Country Manager
